

Intro

Who Am I?

- Undergrad: Western Michigan University
 - Psychology
 - Comparative Religion
- MA: Western Michigan University
 - Comparative Religion
- MS: Grand Valley State University
 - Applied Computing

Course logistics

- Grades
- Links to other platforms

- Assignments

- Communication

- Later in course
- Version control

Contact Info

- Email: langanth@gvsu.edu
- Office Hours
 - Monday: 1:00 pm – 2:00 pm in the Computing Success Center (MAK A-1-101)
 - Wednesday: 1:00 pm – 2:00 pm @ Office
 - MWF: 11:00 am – 12:00 pm @ office
 - And by appointment (zoom available)

Textbooks

- No required textbooks
- Syllabus has links (**FREE** from GVSU library) for reference

Grades

Assignment type	# of assignments	Total % of final grade
Check-in assignments	~ 11	25%
Projects	~ 4	30%
Command line quiz	1	5%
Midterm exam	1	20%
Final	1	20%

Late penalty: 10% per day late, up to 3 days

Other policies

- SAR Accommodations - happy to help, just reach out ASAP!
- Religious observance - let me know beforehand!
- Collaboration
 - Collaboration welcome on check-ins, but all work should be your own
 - Projects should be kept to conceptual questions (do not share code!)
 - Exams are NOT collaborative

Other policies

- SAR Accommodations - happy to help, just reach out ASAP!
- Religious observance - let me know beforehand!
- Collaboration
 - Collaboration welcome on check-ins, but all work should be your own
 - Projects should be kept to conceptual questions (do not share code!)
 - Exams are NOT collaborative

Other policies

- Academic misconduct and plagiarism
 - Don't do it!
 - I take this stuff seriously
 - All text **MUST** be your own
 - You need to be able to explain **ALL** of your code!
- Artificial intelligence (AI)
 - Use it *sparingly*
 - You must disclose *why* you used it and give transcripts

A supportive peer community helps with success

Look for Computing-related student organizations!
